

I am sorry it's taken a long time to organise this letter but we would very grateful if you & as many of your colleagues from the TSE International Summer School & the TSE Society could jointly sign the attached letter of objection and send by email

to the Spatial Policy Manager at SSDC  
[andy.foyne@southsomerset.gov.uk](mailto:andy.foyne@southsomerset.gov.uk)

with a copy to HMG Planning Inspector at  
[enquiries@planning-inspectorate.gsi.gov.uk](mailto:enquiries@planning-inspectorate.gsi.gov.uk)"

It has to be there by 1600 British Summer Time on the 10th of August 2012 (this Friday).

If it's not possible to circulate all the participants for signing the letter perhaps they could compose one along similar lines & send it individually.

They must specifically say "I object" to the proposed plan.

With thanks & very best wishes

Yours Sincerely

John

(Dr John Fysh, Naish Priory, East Coker)
